## about us...

Peoples' images of 'church' are often of old & beautiful buildings. Well, we don't have one of those, instead we meet in Chard Guildhall on Sunday mornings (at 10:30am).

We are a family of different ages & backgrounds. Together we meet to worship God, & to explore & apply what the Bible teaches us as followers of Jesus Christ.

## what's on?

Although we don't have a church building, we do have a community centre, Forefront Community Centre, which is open every day. Check out Coffee & Co every Tues & Wed morning for a chat & cup of coffee!

## Life groups

These groups meet in peoples' homes at different times during the week to help us grow in our faith & to provide mutual support & friendship to each other. They are the best way to be connected with the church family.

## want to find out more?

We run short courses throughout the year where you can discover what Christianity is all about. These are relaxed informal groups where no questions are off limits!

## Youth & kids

- Parent & toddlers (@ Crowshute House)
